Dear Dave

It was so kind of you to write to us recently to thank the team for work they have done with you over recent years. Far from feeling that you should be expressing gratitude for working with us – we all feel very privileged to have worked with you, supporting you in your passion for carers and carers' issues.

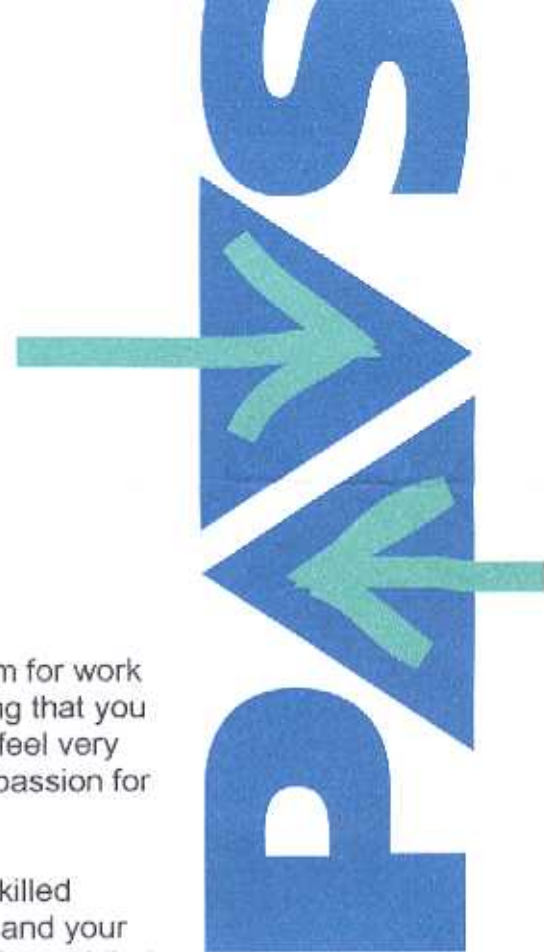

The Ubiquitous Pembrokeshire Carers group, its website, skilled volunteers and important activity all spring from your vision and your ability to motivate and inspire those around you. I am so pleased that PAVS has been able to play a part in making all that a reality.

Each one of – including Sally in far away Africa – send you our fondest best wishes. Thank you for all the support that you have given to planning and network groups. You remain one of our shining lights.

Kindest regards

Anne Moazzen
Director

(ps – actually I am now 'Barrett-Evans' – still a shock even to me!)
